

PEI Fencing Inclusion Policy

At PEI Fencing, we are committed to fostering an inclusive, welcoming environment for all. We believe that everyone—regardless of age, gender identity, race, ethnicity, ability, sexual orientation, socioeconomic status, or background—deserves equitable access to the sport of fencing.

We strive to remove barriers, celebrate diversity, and ensure that every athlete, coach, official, volunteer, and supporter feels respected, valued, and empowered to participate fully.

Inclusion makes our sport stronger. Everyone belongs on the strip.
